

## FEES FOR LICENSURE AND EDUCATIONAL PROGRAMS

Type of Fee and Description	Amount	When Due
PPST: Basic skills test to be taken and passed before entering the program. Has three sections—reading, writing, math. If one section not passed, just that section can be retaken.	\$110 (\$25 per part of the test + \$35 registration fee)	When registering for test (approximately 6 weeks before test date). <u>Fall of year prior to entering the program or before.</u>
Education Minnesota registration: Each student is required to have liability insurance of \$1,000,000. One easy and cheap way to do this is to be a part of Education Minnesota	\$13	Spring prior to entering program
BCA Background check: needed to work in the schools and do fall practicum	\$15	Spring prior to entering program
UMM official transcript: needed to be placed for fall practicum	\$5	Spring prior to entering program
PRAXIS II Tests: 2 tests needed (pedagogy and subject matter). Pat will help you register in class.	\$185-220 depending on if you take the two tests together or separately	Late fall or early spring during program
UMM official transcript: needed to be placed for student teaching	\$5	End of September while in program
Placement fee: If student teaching overseas, in El Paso, Chicago, or Twin Cities area a placement fee is required. Most of this money comes back to you since in January you will not be charged student activity fees at UMM	\$300	First week of October, while in program
License application fee: fee paid to the state to obtain state license	\$47	May End of program
Official UMM transcript: Needed to accompany license application	\$5	May End of program
BCA Background check: a fuller background check than before, needed to obtain MN license	\$26 (money order or cashier's check only)	May End of program
